Job applied for: **Video Editor / Motion Designer**

WORK EXPERIENCE

09/2023 – Present

Video editor and motion designer (freelance)

GraphicArts — Tashkent, Uzbekistan (remote)

- Editing social-media videos (Reels, Shorts, TikTok): cutting, colour correction, titles, sound in 9:16, 4:5 and 16:9 formats.
- Creating motion graphics: animated logos, titles, intros.
- Running projects from brief and storyboard to final render and client revisions.

Business or sector: Digital media and advertising

2023 – 2025

YouTube channel manager and video editor

YouTube channel — remote

- Editing videos, designing thumbnails, writing search-friendly titles and descriptions.
- Planning the upload schedule and analysing statistics in YouTube Studio.

Business or sector: Online media

07/2021 – 08/2023

Graphic designer, assistant to the owner

Family business — Termez, Uzbekistan

- Designed advertising materials: logos, banners, social-media posts.
- Helped with customer service and day-to-day operations.

Business or sector: Small business, trade

2019 – Present

Mobile game developer (independent)

Own projects — Termez / Tashkent, Uzbekistan

- Built 2 Android games in Unity (C#) — AirFly and UzbekAdventure: gameplay, UI, graphics, APK builds.
- Ran paid advertising for the games with a budget of several thousand dollars; edited the ad trailers myself.

Business or sector: Game development

EDUCATION AND TRAINING

09/2023 – 06/2027 (expected)

Bachelor's degree — Artificial Intelligence

Tashkent State University of Economics — Tashkent, Uzbekistan · EQF level 6

- 4th-year student. Main subjects: programming in Python, data processing, machine learning, digital economy.

09/2010 – 06/2021

General secondary education

General secondary school No. 18, Termez, Uzbekistan · EQF level 4
